

*Madam Mayor,*

*We have your friends Sophia and Ambrose. If you value their lives, you will meet our demands.*

*1 - No further interference in The Guild's business by you, the Mayors office, or any of your party called Heroes of Synerg, especially the two rogues Beales and Amaryllis.*

*2 - No interference in Council of Temple's business by any city agency or your party, especially Cleric Jerok. Separation of Church and State must be implemented.*

*3 - Resign as Mayor and publicly admit your involvement in selling and distributing unauthorized Elven magic.*

*Do not try to rescue your friends. They will be released unharmed, in time if you meet these demands.*

*Signed - "A powerful enemy"*
